

### KV 3 Who am I?

Find four other students for your group. Each of you gets one role card. The person on the card is a secret! Tell your group what you like, what you don't like and what you do in your free time. They have to find out who your person is.

**Start like this:** A: I like to sing and I like computer games. I don't like inline skating. I don't like books, and I really don't like school rules. Who am I?  
B: Oh, you are ...
