

## KV 14 A mini-survey about geocaching in your class

a) You know how to make a survey from your work on pages 80–81 in your English book. Walk around the classroom, ask six classmates (3 girls, 3 boys) questions about geocaching and make notes. Remember! Start and finish your interviews with polite phrases.

	1	2	3	4	5	6
1. How much do you like geocaching as a free time activity from 1–10? (10 is best)						
2. Do you like to go geocaching or do you want to try it?						
3. Why? / Why not?						
4. Where can you go geocaching near your home / our school?						
5. Do you sometimes go geocaching? (yes = Y, no = N)						
6. Girl (= G) or boy (= B)?						

b) Present your information to a partner or to the class. Use the "Useful phrases" on page 81 in your English book and take notes about the answers to your questions. Write the first part of a sentence and words like 'because' and 'but' on a card and try to remember the rest of the sentence so you don't just read your text. Here are some examples:

**Here are some examples:** One girl gives geocaching 9 out of 10 because ... Two boys want to go geocaching because ...  
Three girls like to go geocaching but ...
