

KV 9a Pets!

1, 8  Listen to or read the text on page 17 in your book.

1 Right or wrong? Tick (✓) the correct answers.

1. Fluff and Honey are guinea pigs. ✓
2. They like apples. ✓
3. Sid is Luke's cat. ✗
4. He's crazy about mice and fish. ✓
5. Sid and Luke play football in the park. ✗
6. For Sherlock rabbits are cute. ✓

2 Find out about Sherlock and his friend Timmy.

Look, Timmy.
There are three **boys** and two **girls**
 in the park and there is a ball. We
 can play with them.

Woof, yes, and there is my friend Scotty
 too. He is a cool dog. He can play with
 us too. Oh no, but there are the **cats!**
 They can't play. Go away, cats!

Look at the speech bubbles. When do we use there is and when do we use there are?

We use 'there is' with one person/thing and 'there are' with two or more people/things.

How do we form the plural?

We add -s.

Be careful, there are some special forms:

families, mice, fish

KV 9b Form the right plural forms.

3 Jerome is in Luke's class. Find out about his family and put in the correct plural forms.

My family is very big. I have got three sisters (sister) and two brothers (brother). We have got eight bikes (bike)! We have got pets (pet) too: My brother Jake has got two hamsters (hamster), my sister Stella has got four mice (mouse) and my dad has got ten fish (fish).

4 On Sunday Timmy is in the park again. What can he see? Write sentences about the pictures.

- cat ✓ boy girl family bike dog mouse guinea pig
