

## KV 14 What's the time, please?

a) *Make your own clock. This is what you need:*

a piece of cardboard , a glue stick , scissors , a brass fastener .

 b) *Now work with a partner. Turn the hands<sup>1</sup> on your clock and ask your partner:*

**Partner A:** What's the time, please?  
**Partner B:** It's a quarter past eight.  
**Partner B:** What's the time, please?  
**Partner A:** ...
